

## Parents Online (POL) Form

Our Student Information System has undergone a significant upgrade this summer. As in the past, parents have the opportunity to view their son's or daughter's grades, attendance, etc over the Internet. Our new system for this is called Parents Online (POL). Because this system is different than our previous one, we need each person who wants access to their children's information to sign up for a free account. If you would like to have a POL account, please print and fill out the form below and submit it to any of the school secretaries for processing.

Please note that after you submit the form to the school office, you should receive an e-mail (probably within a week or so after enrollment) with a link to verify that you want an account. Once you verify this, you should receive another e-mail giving you your logon and password information. These e-mails are sent out in bulk, and sometimes e-mail servers might interpret them as spam or junk mail so please check any junk or spam filters that you may have for your e-mail. If you have any problems or questions, please contact Terry Robson at [robsont@usd376.com](mailto:robsont@usd376.com).
